The Narrative orients you to the history and historical resources of this era. The Resource Bank provides annotated images and documents, stories, biographics, and commentaries. The slave narrative is a type of literary genre involving the (written) autobiographical accounts of enslaved Africans in Great Britain and its colonies, including the later United States, Canada, and Caribbean nations. Some six thousand such narratives are estimated to exist; about 150 narratives were published as separate books or pamphlets. In the United States during the Great Depression ... Historiography is the study of the methods of historians in developing history as an academic discipline, and by extension is any body of historical work on a particular subject. The historiography of a specific topic covers how historians have studied that topic using particular sources, techniques, and theoretical approaches. Trajan was most conspicuous for his justice, for his bravery, and for the simplicity of his habits. He was strong in body, being in his forty-second year when he began to rule, so that in every enterprise he toiled almost as much as the others; and his mental powers were at their highest, so that he had neither the recklessness of youth nor the sluggishness of old age. - America.
